Disclaimer:

*We take extreme pride in our products and have strict quality control measures in place to guarantee that you are receiving the highest quality product from us. We will do everything in our power to design, print, and ship your product before these lead times, however, these are the guaranteed possible number of business days **PRIOR** to the shipment. When you choose your shipping preference on the work order, you are acknowledging that these lead times are **IN ADDITION TO** the shipping time. Please plan accordingly for your patient appointments. We will only expedite shipping if you indicate so on the work order, and you acknowledge that there will be an additional express shipping charge on your invoice of any charge more than \$30.*

If you have specific expedited fabrication and shipping needs, please contact us by email: joe@ascentfab.com, or phone: 518-813-2854.
